

Join the Consumer & Carer Engagement Committee

We're looking for people willing to share their views and experiences to guide how we do things.

We'd love to hear from you if you're already engaged with MIFWA and you:

- have experience participating on committees or in advisory groups, or have a strong interest in gaining more experience in this
- can confidently communicate your views and personal experiences
- are a good listener who also respects the views of others who may have different perspectives and experiences, and
- are available to attend committee meetings every two months either at our Midland office or can comfortably join online.

Membership is for two years (2024–2026) and reviewed at four months and 12 months.

While participation is voluntary, you'll receive an honorarium for your time and contribution.

How to apply

If you're interested, go to mifwa.org.au/join-a-committee and submit your information by 5pm, Friday 10 May 2024.

Or contact us at ccec@mifwa.org.au with any questions about participation.
