

THE TECWYN JONES BEQUEST GRANT 2020 PROGRAM

Tecwyn was a member of the Lorikeet Clubhouse from its beginnings in 1994. He also regularly attended the weekly lunches in the days when MIFWA was the Schizophrenia Fellowship of WA. Tecwyn was a popular and generous member and had a keen interest in all people.

Tecwyn had a passion for travel and was well informed regarding world events. He enjoyed the friendship and support he received through the Lorikeet Centre and the Fellowship and regarded all who attended as members of his family.

When Tecwyn passed away in 2004, he bequeathed a generous amount of money to MIFWA, to be shared equally between Lorikeet in West Leederville and the Mental Illness Fellowship of WA which at that time was based in Subiaco. Since 2004, these funds have been invested and the interest from the investment has been used across both services.

The MIFWA Board of Management in May 2007 decided that the interest from the investment would be used to set up an Annual Grants Program to benefit the Consumers and Carers/Family of MIFWA. The interest will be divided equally between Consumers and Carers/Family each year.

In setting up the Tecwyn Jones Bequest Grants Program (TJBG), we hope to pay ongoing tribute to Tecwyn's memory through the provision of regular annual grants which will benefit consumers and Carers/Family who are recipients of MIFWA's services.

The maximum amount which can currently be applied for is \$1,000 per individual/couple. Examples of activities previously approved include attending a conference, enrolling for a training course, purchasing a musical instrument, a short respite break for a Carer/Family, purchasing resources or books etc.
