WITH MERIDIAN TAPPING

A powerful tool for relieving negative emotions using the Meridian Tapping Techniques (MTT) or the Emotional Freedom Technique (EFT).

Sometimes called 'Tapping Therapy', it was created by Gary Craig and works like emotional acupressure.

Come along and learn about using Meridian Tapping to de-stress your festive season holidays.

- » Easy to learn techniques to manage and improve emotional health.
- » Understanding the relationship between the brain and body.
- » Learn how to identify barriers to unhelpful thinking styles.
- » Clarity for positive boundary setting.
